A TASTE OF BAR HARBOR

HALF-DAY TOUR (3 HOURS)

MIN 10, MAX OF 24 GUESTS

- This 3 hour historical walking food tour will begin at The Fish House Grill where guests will get to sample a traditional lobster roll along with a cup of clam “chowda” accompanied by an Old Soaker, a soda found exclusively up in the Northeast.
- The group will then be lead through the historic downtown Bar Harbor, viewing sights that include The Shore Path, Agamont Park and several historic Bar Harbor homes and, of course, a great view of Bar Island. Your guide will share fun facts and interesting anecdotes about the town and will impart some local insider’s tips as well.
- Next stop, Bar Harbor BeerWorks for a sampling of a tasty gourmet burger and steak fries along with a flight of a few local craft beers.
- Guests are sure to enjoy their visit to The Acadia Country Store where they will get samples of a variety of New England fare, such as jams, mustards and fudge to name a few.
- Onward to CherryStones for a tasting of some delicious cherry stone clams paired with a lovely glass of Maine white wine followed by a scrumptious piece of blueberry pie.
- And speaking of blueberries, guests on the next stop will get to see how blueberry flavored popcorn is made. The tour will conclude at the now famous MDI Ice cream shop where Obama ate ice cream when he came to Bar Harbor, before returning to The Village Green, a beautiful park in the center of town.
