PALM BEACH ISLAND TOUR

FROM KENNEDY TO TRUMP

2 HOURS, MSR 10, MAX OF 50 GUESTS

- South Ocean Boulevard is one of the most scenic streets in Palm Beach with its rolling waves, coconut palms and many architectural homes. Addison Mizner was Florida's leading architect in the 1920's. He created an ambiance that truly transformed Palm Beach. He designed over fifty villas and mansions in Palm Beach and has secured a lasting place in the architectural history of America. Grandest of all the mansions in Palm Beach, Mar-a-Lago, owned by real-estate developer and current President, Donald Trump, is one of the famed homes to be viewed along the tour. The home is now considered Trump's winter White House.
- Your guide for the day, Judith, is a former Washington Times Restaurant Critic, cookbook author, an Award-Winning Food Movie Producer and cooking school teacher who has not only lived on the Island for many years hob knobbing with some of the town's most elite, but is excited to share some romantic gossip about the town's most notorious residents with you. You will learn about the "Kennedy identity" and the impact they made on Palm Beach. Some of the places you will see on your tour through Palm Beach will include the former Woolworth estate, J.R. McLean's estate, heir to the Hope diamond, which was briefly owned by John Lennon and Yoko Ono and is now owned by famed author James Patterson, Estee Lauder's estate, The Kennedy House, Dr. Oz's estate, The Flagler Museum, President Trump's Mar-a-Lago, and the Society of the Four Arts. The tour will conclude with an escorted stroll by foot through the quaint courtyards and tree-lined passageways on Worth Avenue.
